

VoIP made simple.

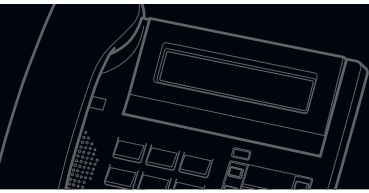

The Vertical® SBX IP 320™ converged telephony system.

Developed in partnership with LG-Nortel, a world leader in telecommunications, the Vertical® SBX IP 320™ has been used by thousands of businesses worldwide. Now it's able to deliver those same enterprise class VoIP capabilities at a price small businesses can afford. Easy to install, easy to manage, easy to use. That's VoIP made simple.
